FROM THE DIRECTOR'S DESK

Hi all,

Emerson once said "Some pursue happiness, others create it..." We at Starz believe in creating happiness and with the summer out here and the kids having a ball of a time, we aspire to pull out all stops in boosting their mirth to a new level altogether. Verily, the summers get everybody going with a high level of spirit and enthusiasm.

The previous month events were spectacular and with your enthusiastic participation, we managed to have a healthy headcount for all the events. The winter events were a major success and I can't thank you enough for your zeal in attending every one of them.

Now in April and May, we have lined up some of the most awesome events of the year. We have the regular housie on the 21st and 28th of April for all our members to try out their luck. We are also having a Bollywood Musical Nite wherein eminent singers and performers are going to sing well-known numbers and romantic ballads for you. Get ready for a rocking night since the soulful renditions and the foot-tapping songs are going to send you into raptures. We have a surprise for the ladies out there too. A Cookery Show will be hosted in our premises with an eminent chef training you with some mouth-watering dishes and delicacies which can be totally tried out at home. Ladies, you're going to love this, big time. Hence don't miss it!

Now how can I forget the kids! We are going to have an Art and Craft exhibition and training workshop especially for kids on the 28th of April and 5th of May. Your tiny tots are surely going to enjoy and learn from this event. Additionally, we are going to host an unforgettable DJ Nite at our club for the first time this summer. We are also having the IPL Final screening at our club so that you can cheer your favorite team to win along with live Cheerleaders!

Now let me get to the biggest event of the summer! The Bumper Housie is here, and this is going to be truly big! We had unprecedented response last time, but let me assure you, this time it will break the earlier record of attendance too. We have 2 shining Nissan Cars and many exciting prizes up for grabs.

Conclusively, let me reiterate the fact that Starz Club owes its members for their consistent participation and enthusiastic response. We hope to get our association going strong and as I mentioned previously, help us "create happiness" so that you can pursue it wholeheartedly!

Regards,
Dipak Patel
(Director)

STARZ CHEF SPECIAL

STARZ RECIPES

The home-maker job is a difficult job. The biggest part for a home maker is to cook food on a daily basis, something which is new and interesting for the family who have tastes of their own. The Starz Club is aware of the role of homemakers and we have come up with an interesting idea. We are going to have our renowned chefs to get in interesting recipes as part of a regular column in our magazine so that you will get something new to try on and treat your family once in a while. We will have our chefs giving out some of the most exotic recipes from cuisines all over the world in each of our magazine issues. Bon Appetit ladies!

EGGPLANT SUOP

INGREDIENTS:

- 1 Korean eggplant (5 ounces: 140-150 grams), washed with the tops removed
- 1 tbs chopped onion
- 1 garlic clove, minced
- 1 tbs chopped green chili pepper
- 1 tbs chopped red chili pepper
- 1 stalk of green onion, chopped
- 2 ts salt
- 1 ts sugar
- 1/4 ts hot pepper flakes
- 1/4 ts soy sauce
- 1 tbs apple or white vinegar
- 1 cup of cold water
- 6-7 ice cubes
- 2 ts sesame seeds, ground

Rinse an eggplant and remove the stem from the top. Cut it into 2 inch pieces (about 5 cm), then cut each piece in half length wise. Boil 1 1/2 cups of water into a steamer. When it starts boiling, add the eggplant and steam for 3 minutes. Remove the eggplant from the heat and let it cool down. Tear each piece of eggplant into bite size pieces with your fingers or cut with a knife. The desirable size of each piece is 1/2 inch x 2 inches. Add it to a serving bowl that holds 2 1/2 to 3 cups of liquid. Combine with onion, garlic, green and red chili pepper, green onion, salt, sugar, hot pepper flakes, soy sauce, and vinegar. Add 1 cup of icy cold water and mix well with a spoon. Add some more ice cubes to make it more cold. Add crushed or ground sesame seeds on top and serve immediately with rice and a few more side dishes.

Cook pasta according to directions on package.

While the pasta is cooking, add 1 tablespoon olive oil to large skillet. Add the vegetables, garlic, pepper, onion, and spices to the skillet.

Cook over medium high heat until they are tender-crisp.

Add drained and rinsed pasta to large bowl. Add vegetable mixture, 1 tablespoon of olive oil and sesame oil and mix well. Serve immediately. Put soy sauce on the table and have each person add as much or as little as they like to the pasta dish. I love this recipe because I can put a nutritious meal on the table in the same amount of time as it takes to make a box of mac and cheese.

INGREDIENTS:

- 8 oz angel hair pasta (Or brown rice pasta)
- 1 tablespoon olive oil
- 2 cups eggplant, chopped into bite size pieces
- 2 cups yellow squash, chopped into bite size pieces
- 2 cups zucchini, chopped into bite size pieces
- 2-4 garlic cloves, minced
- 1 small pepper, chopped into bite size pieces
- 1/2 cup onion, diced
- 1 teaspoon basil
- 1 teaspoon oregano
- 2 teaspoons parsley
- 1 tablespoon olive oil
- 1 teaspoon sesame oil
- soy sauce
