Special Discount for Starz Club Members

FROM THE DIRECTOR'S DESK

"We do not remember days, we remember moments"
Cesare Pavese

And it is time to create such moments that are memorable. The Starz Club family is all about these priceless moments that are worth remembering.

With the winters setting in, let's create some more priceless moments with festivity and fanfare. The Navratri - Diwali season was grand enough with your participation in events like the Weekend Housie, your kids participating in the Art and Crafts workshop and the gift-making workshop along with the spectacular Navratri nite that stood out this year! Now your participation and immense enthusiasm in all events and especially during Navratri created several cherished moments for life.

Well, the coming season with the Christmas festival, you will be able to witness several fun and frolic instances that are bound to be etched in your mind. Starting with the glorious Christmas Carnival and the New Year bash for welcoming the New Year, we have a host of events lined up for you. Regale in the competitive Tukkal competition, the romantic Valentine Celebrations, and also part of the regular weekend events that are bound to enthrall you with consistent visits to your beloved club.

I must add here that we are extremely pleased with members and their families spending their lazy weekends in their second home. We are grateful for your love and feedback and we make it a point that Starz Club revels in making the necessary changes to make you comfortable. However, those who are yet to experience these amazing moments, I would urge them to regard our club as your second home and rejuvenate yourself time and again.

It is my personal request to all members to continue to show your love and enjoy the season, by participating in events and celebrations. After all, you are the stars of our club that always keep shining!

Wishing you happy winters!

Sincerely,

Dipak Patel
