FROM THE DIRECTOR'S DESK

Greetings,

Few things signify the simple pleasures of life as festivals do. A time spent laughing, living and more importantly spent celebrating with your loved ones is something that we look forward to every year.

It is with much pleasure that I introduce you to the plans that we at Starz Club have made for our valuable patrons. Throughout the years, our members have come to expect a certain level of quality and commitment when it comes to the various events that we plan. But, this year, we've made a special effort to go beyond what is expected of us to truly surprise and delight you with endless celebrations and unforgettable memories.

Without further ado, allow me to give you a brief idea of our celebrations that will start with a bang to welcome the 9 Nights of Navratri and continue well up to the end of Diwali vacation. In between, you can try out your luck at winning with our Weekend Housie contest, let your kids embrace their creativity at our Arts & Crafts workshop and dance to the beats of the DJ.

You can also expect to spend an evening under the stars watching a movie on the big screen and have a fun-filled bash at our pool games accompanied by a lively DJ.

So, join us to make this year all the more special and create wonderful memories before the next year is upon us, bringing promises of even more celebrations and happiness.

All of us here at Starz Club welcome our members with open arms and with a hearty invitation to celebrate the festival of lights.

Yours Sincerely,
Dipak Patel
